

Religious Freedom Rally

Saturday 9 March - - 12-1pm - - The Crescent Reserve, The Crescent Fairfield

In 2017, Australia legalised same sex marriage “SSM” despite over 5 million Australians voting NO. Society cannot change a fundamental institution like marriage and expect there to be “no consequences”.

Labor Senator Penny Wong’s bill will take away the rights of religious organisations to operate according to their faith. Forcing religious schools to compromise makes them no different to non-religious schools. Parents have the RIGHT TO CHOOSE an education for their children according to their faith tradition. Did you know Safe Schools type materials can be taught WITHOUT YOUR CONSENT?

You are invited to hear former Federal Labor Leader now NSW One Nation Senate Candidate MARK L. THAM speak.

Invite your friends & family.
